Get SCOTT'S Emulsion

When you go to a drug store and ask for Scott's Emulsion you know what you want; the man knows you ought to have it. Don't be surprised, though, if you are offered something else. Wines, cordials, extracts, etc., of cod liver oil are plentiful but don't imagine you are getting cod liver oil when you take them. Every year for thirty years we've been increasing the sales of Scott's Emulsion. Why? Because it has always been better than any substitute for it.

Machine to Do Housework.

Three days of toil will be over for the Ohio farmers' wives if the new machine invented by William N. Whitely, of the Farmer Co-Operative Harvesting Machine company proves to be a practical demonstration of the machine in a few weeks. The inventor holds that the contrivance will rock the baby, wash the dishes, scrub the clothes, separate the cream, run the sewing machine, and do other chores, while the wife is in the parlor entertaining her friends. A gasoline engine furnishes the necessary power.

NO CONTEST

But a Plain Business Proposition.

Chance to Make \$50 in Gold.

Every Young Lady in Bourbon Eligible.

People are always crying "keep the money at home," and to help carry out this motto the Bourbon News is going to make a plain business proposition to the young ladies of Bourbon county, whereby they can take a trip to any place they desire and at the same time assist in pushing a home enterprise along without any scrambling contest whatever and also at the same time everybody will get value received for their investment. This is no contest where there will be any disappointments. No contest where some young lady will run in the lead until the last minute and then the one who has been running last to come in and defeat her by having her friends to buy enough coupons or subscribe for enough papers, to make her win over the one that has led throughout the contest. Our proposition is no fake, but simply a plain business proposition and is as follows:

Any young lady of Bourbon county who will bring to the Bourbon News office on or before July 15th, 1906, 75 cash subscribers we will give her \$50 in gold, to be used as she likes. Any old subscriber who is in arrears and pays up to date and for one year in advance to any of the young ladies who accept our offer will be counted in their list of new ones.

This proposition is open to every young lady in the county, and just as soon as you hand in the seventy-five names with the cash subscriptions, the \$50 in gold will be handed to you.
